

Rare Yucca

Marion Robertson of San Francisco is fascinated by the rare Irish yucca (Chilodactylis alpestris), a cousin of both the yucca and the pineapple. It was successfully bloomed in San Francisco after seven years of failure.

BOVINE T. B. ERADICATED IN COUNTY

Good news for public health officials throughout Los Angeles county came today from Dr. L. M. Hurt, county livestock inspector, that tuberculosis now has been virtually eradicated from dairy herds as the result of a 14-year campaign by county and state authorities.

PENSION PLAN ON BALLOT

With a total of 789,104 names, officials of the California State Pension plan filed supplementary sections of their initiative petition with county clerks and registrars in 58 counties Monday, making it the largest filing in the history of the state.

Bearing the title of "The California State Retirement Life Payments Act—\$30 a Week for Life" it proposes a state constitutional amendment which provides that every qualified elector of California aged 50 or over, who has resided in the state one year and who is not employed or in business for profit will be entitled to receive \$30 a week in warrants issued by the state.

Church News

Methodists Plan Native State Rally Aug. 11

Torrance residents are invited to attend a popular evening of good fellowship at the Methodist church on Thursday night, Aug. 11. Detailed plans are being worked out to include the idea of determining which "home state" has the largest number of local residents.

A representative number of English residents are planning to compete for the prize in the stunt program. This may be a song, a recitation, or any other individual or group number which would characterize their native land or state.

Next complete announcement will be given next week but the afternoon and evening of Aug. 11 will be programmed to promote the reunion of many groups. Awards for total enrollments and for those present who have enrolled will be for numbers, but it will be possible for a single individual from any state to carry away the award for the most characteristic program number.

In the preliminary enrollment the following states have been signed up: Illinois, Indiana, Ohio, New York, New Jersey, Minnesota, Massachusetts, Vermont, Rhode Island, Colorado, Wyoming, Louisiana, Nebraska, Kansas, Missouri, Iowa, Pennsylvania and California.

Shop, Save—Bargain Days—Church notices, to be assured of publication, should be in The Herald news office before 10 a. m. Tuesday.

Sunday morning services at 11. Sunday school, 9:30. Wednesday-evening meeting, 8 p. m. Reading room in church edifice.

"The Lord is good to all: and his tender mercies are over all his works." This verse from the psalms is the Golden Text in the Lesson-Sermon on "Love" on Sunday in all Churches of Christ, Scientist.

A Scriptural selection includes these words of Isaiah: "Hast thou not known? Hast thou not heard, that the everlasting God, the LORD, the Creator of the ends of the earth, fainteth not, neither is weary? they shall run, and not be weary; they shall walk, and not faint."

One of the passages from "Science and Health" is: "The Key to the Scriptures," by Mary Baker Eddy, states: "We should relieve our minds from the depressing thought that we have transgressed a moral law and must of necessity pay the penalty. Let us reassure ourselves with the law of Love. God never punishes man for doing right, for honest labor, or for deeds of kindness, though they expose him to fatigue, cold, heat, contagion."
